Dear Ms. Terry:

In accordance with WT Docket 96-86, Fourth Report and Order, released January 17, 2001, the State of Hawaii has elected to administer the 2.6 MHz of Interoperability spectrum within the public safety 700 MHz band.

The Information and Communications Services Division of the Department of Accounting and General Services will establish a State Interoperability Executive Committee to administer the Interoperability channels.

Should you have any questions, please contact me at (808) 586-1910.

Sincerely,
